FINANCE AND ACCOUNTING PRINCIPLES

Demonstrate understanding of financial and

DETAILS

This is a PSETA accredited short course aligned to the Unit Standard **120360**, NQF Level **5**, Credits **12**.

OBJECTIVES

The purpose of the learning is to provide competencies (knowledge, skills and values) to board members and officials of public entities in terms of legislative requirements, financial and accounting principles, good corporate governance and managerial decision-making. Qualifying learners are able to contribute towards increasing the effectiveness of board members and service delivery of public entities in general.

LEARNING OUTCOMES

- Interpret the appropriate legislative requirements applicable to the governing of public entities.
- Apply good corporate governance principles in public entities.
- Obtain knowledge on the financial and accounting principles necessary to evaluate financial and accounting issues of the specific public entity.
- Examine the critical performance indicators and analyse and interpret the public entity's financial statements and reports using critical performance indicators.
